\$689,000

4 Bedrooms | 2 Bathrooms | 2,581 Sqft

A well laid out 3 level split home in a sought after neighbourhood awaits your ideas! With 4 bedrooms, a large family room and a separate unfinished rec room, this home is ready for families of any size. French doors from the dining room & a slider from the kitchen give you great access to the large fully fenced back yard & covered patio. Kitchen features include stainless appliances, ample white cabinetry and a view of the backyard. Enjoy a toasty wood burning fireplace in the family room on those chilly winter nights. Take advantage of this great opportunity by booking your showing today!
