STUNNING 2 STOREY HOME IN DESIRABLE RIVERSIDE!! 50K of updates! This is the perfect family home on a quiet cul-de-sac. This home features over 2600 sqft of modern living space! The massive open concept main level boasts beautiful hardwood floors, tons of natural light, gas fireplace, upgraded cabinets, gorgeous granite countertops, Instant hot water tap, hunter douglas blinds, stainless steel appliances including a gas stove. Upstairs you will find a large master retreat with an amazing his/hers ensuite! Separate vanities, walk-in closets, and makeup counter! Relax in the large soaker tub or glass shower! Upstairs you will find 2 additional spacious bedrooms, as well as a large main bath with double sinks! The large bonus room and upstairs laundry are just the cherry on top! Outside the home has been fully landscaped and features a massive luxury trex deck! Enjoy the LEED certified area of Riverside! Close proximity to Lacombe park with dog park and fishing access. This home has loads to offer. (id:27)
