As you entry the foyer of this home you will notice the gracious open design. The large picture windows offer unobstructed views of the surrounding mountains and valley lights in the evening. The kitchen is large and has an eating bar with Caesarstone countertop, ample cabinets, walk-in extra large pantry. Your dining is well located next to the kitchen for easy entertainment and daily meals. The spacious living room offers access to the expansive balcony ideal for enjoying bbq's, morning coffee or to entertain your guests. Two spacious bedrooms on the main. The fully finished basement has a roughed in kitchen, add your appliances and it's ready for in-laws or kids, with own access from the large patio. Good size backyard, parking for 8 cars if needed.
