MLS# R2606064

\$985,000

5 Bedrooms | 3 Bathrooms | 3,612 Sqft

Huge 10,483 lot with private back yard. This large rancher has a walk out basement and in-law suite. OCP is for duplexes, buyer to confirm with city as to any restriction if any. Ideal as a property to hold for future potential multi family units. The 578 sq. ft. deck is an ideal place to have BBQ or enjoy the evening. The living room is spacious and has a fireplace for cooler months ahead. Development is happening at the end of the street. The large unfinished workshop area downstairs is ideal for the handy man woodworker or a larger craft room. Add a little personal touches and make this home perfect for you.
