\$338,900

3 Bedrooms | 2 Bathrooms | 1,408 Sqft

LIVE IN EDMONTON! WOW factor with a NOW budget. The Casa floor plan features an open concept main floor that is spacious and inviting with an ideal layout that's perfect for cozy movie nights with friends and family. 9FT ceilings, large windows, quartz counter tops, two-toned cabinets, modern fixtures bring a luxury feel for an affordable price. Lockers/mudroom off the back door and a small powder room on the main floor provide convenience. The second floor features a versatile bonus room, large side by side second floor laundry space and a spacious master bedroom with a generous ensuite. This home comes with everything you'll ever need., the basement open for development, ideal for future bedroom, full bath and rec room. Off the back, you'll find a double garage. Landscaping is included. Great location near many parks, new schools and shopping. PHOTOS MAY DIFFER FROM ACTUAL HOME.
