Time to move up! This 23rd floor condo in the Fox Two has spectacular south and west views and a fantastic balcony to enjoy the warm Edmonton summers. Located on 104th street in the heart of downtown, it is situated close to boutique shopping, as well as a short walk from the professional heart of the city. Featuring laminate and tile flooring, a modern open kitchen with eat-at island, high quality cabinetry and quartz countertops the unit is in immaculate shape and is move-in ready. The primary bedroom has both a well appointed four piece en-suite and full walk in closet, while the large second bedroom looks out over the south of downtown. Other features and amenities include heated underground parking, stacking in-suite laundry, air conditioning in both bedrooms as well as the living room, and a short walk from the Ice District and Rexall Place.
