Very well cared for and updated original owner home in Twin Brooks. Three bed rooms up, one down, 3.5 baths, huge bonus room, fully finished basement and a south back yard. This home is located on a quiet street and does not back onto any main roads. Amenities, schools, rec centers, ravine trails and main commuting arteries are very close but not on your door step. This home has been upgraded through out its ownership and shows very clean and ready for a new owner.
