4 Bedrooms | 2 Bathrooms | 1,949 Sqft

Fantastic Hobby Farm with a ton of value! This 7.09 Acre property begins with a 1950 Sqft custom built modular that offers a beautiful layout and great natural light. The front of the home offers a lovely sunroom, Formal dining and a large open concept kitchen with oak cabinets and tons of counter space. The living room is spacious and features vaulted ceilings and a wood burning fireplace. To the back of the home you have 4 large bedrooms, a full washroom with jacuzzi tub and 3 piece ensuite for the master. There is a gorgeous 1000 sqft wrap around deck that includes a HOTTUB to overlook the deer passing by. The outbuildings have been meticulously kept and well thought out. 60x40 QUANSET with 220v outlets and set up for infloor heating, 4 STALL BARN includes a feed and tack room, propane and electric HEAT, manual horse door, LIGHTING and WATER to each stall. The perfect set up for horses! Finally, the property is finished off with an oversized double garage and several storage sheds. Shows a 10! Enjoy!
