3 Bedrooms | 3 Bathrooms | 1,890 Sqft

In the tree lined roads of the highly sought-after Waterloo neighbourhood of Laurel Creek, you will find the exquisite home that is 648 Violet St. This Multi-level, 3-bedroom, 3 bath is perfect for the family that is ready for an upgrade from their current home or perhaps the family who realized their current home isn't as spacious as they once thought. Up the interlocked driveway, and through the bright red door, you are met with a view of the main floor and its strikingly tall ceilings and the beautiful hardwood maple floors that are throughout the living room and all bedrooms! Your dreams of cuddling up next to the fireplace while binge-watching your favourite shows can finally be a reality thanks to the Valour H4 gas fireplace that's beautifully recessed into the living room wall! And did we mention the gigantic windows that flood the main floor with natural light? Whether you are the kind of person who burns toast or the person who makes a 5-star meal everyday, you are going to LOVE this kitchen! This large bakers dream features quartz countertops, custom build cabinetry with soft close doors & drawers, reverse osmosis system, induction cook top, double wall ovens, and so much more! Running out of space will be a thing of the past with this home thanks to the 3 large bedrooms upstairs. And of equal size, is the gorgeous bathrooms, one of which has a Jacuzzi
