Gorgeous sunsets!! This slightly rolling lot is ready for your new build. A class 4F septic system and driveway has been installed. 114' water frontage, hydro at the lot line, cell, and internet available. Child-friendly waterfront, shallow to deep water, tucked in a small bay area with an expansive 'western' view of Old Man's Lake. You can catch fish off the shore from your Muskoka chair. Johnston Road is not a through street, therefore, a low traffic area. Perfect for kids or for those who want a quiet lifestyle. School bus pickup at the end of the driveway. 20 minutes to Burks Falls. This is a beautiful area of lakes and trails, country living at its best. (id:27)
