\$999,990

4 Bedrooms | 3 Bathrooms | 2,762 Sqft

You will fall in love with the amazing panoramic views of the city, mountains, and valley the moment you walk in the door of this fabulous rancher with a suite. The main floor boasts an open floorplan, large kitchen, granite counter tops, oversized windows allowing an abundance of natural light, and spacious dining and great room - perfect for entertaining! The primary bedroom offers a private oasis with another large covered deck to enjoy the stunning views and a 5 piece ensuite and walk in closet. No expense was spared to create a soundproof and fireproof suite in the basement using a double layer of roxul, type x ceiling panel, sound bar, and drywall. Other features include, roughed in elevator shaft, double garage, large driveway, 2 fireplaces, wired for hot tub, and much more!
