5 Bedrooms | 3 Bathrooms | 2,466 Sqft

Tucked on a quiet no-thru road backing GW school, this 5-bed, 4-bath split-level shows off 2,466 sq. ft. of stylish updates. In 2021, \$200K was invested to reimagine the home with a dream kitchen, sleek island, quartz counters, SS appliances, pot lights, plus a custom built-in feature wall in the living room. The primary suite was expanded with a spa-inspired shower and modern finishes, while a full additional bathroom was added downstairs. Fresh paint inside and out, new flooring, trim, doors, designer lighting, NEW windows, furnace, hot water on-demand, central A/C and electrical upgrades throughout the home. Walk to schools, shops, and restaurants. With a few finishing touches and some landscaping, this home offers exceptional value in a great Sardis neighbourhood.
