\$1,249,900

10 Acres Build-Ready! 3.5 acres recently logged and ready for your vision. Not in the ALR. Enjoy sweeping views of Mount Maguire, Church Mountain, all the way out to the Chilliwack River Valley! 100' spring-fed well just installed pump & water report available, no shortage of water. 400 amp power to the pump house. Geotech, environmental and site survey/legal plans available. Soil is excellent, septic plan approved (installation not included). Secure gated entry. Stable, build-ready land right at a trailhead perfect for hiking. One driveway in place. Garbage removal to property, school bus stop nearby. A rare opportunity in a pristine setting!
