From vaulted ceilings, fir beams, oversized windows & skylights that flood the space with natural light where every window frames nature like a painting. Step outside & you'll find decks that wrap around the home, a private hot tub beneath the stars, putting green & waterfall that sounds like pure serenity. Updates over the years include kitchen, baths, flooring, metal roof, windows, decking, fencing, heated floors & front door salvaged from a Heritage home. You know that feeling when you arrive somewhere & immediately feel at peace? That's the magic of this Harrison Lake home; where quiet, serene living meets effortless comfort & connection with nature.
