\$469,900

2 Bedrooms | 2 Bathrooms | 1,165 Sqft

Sunshine, space, and style in this south-facing corner unit featuring two bedrooms and a den, two full bathrooms, and two balconies. Enjoy wrap-around windows that fill the space with lots of natural light and provide views in every direction. The building is proactively managed with a new roof, giving you peace of mind. You'll love the excellent location right beside the hospital and just a short walk to shopping, banking, restaurants, and recreation. Additional highlights include one secure underground parking stall, an in-suite storage room, and access to the building's garden area and activity/recreation room with a large patio. Perfect for connecting with neighbors or relaxing outdoors. Bright, comfortable, and beautifully maintained this home truly shines. Call today!
