4 Bedrooms | 3 Bathrooms | 2,456 Sqft

Split entry Sardis home with great potential, close to schools and parks. The main floor offers three bedrooms, including a primary with ensuite, along with bright living and dining areas and kitchen. A standout feature is the oversized 1,300 sqft deck, providing exceptional outdoor space alongside the backyard. The basement has a separate entrance and potential for a 2 bedroom in-law suite. The workshop has 220 power and was used as a pottery room, and there is a storage room off the back of the garage. Roof, hot water on demand and furnace are newer. The home needs updating but offers strong value in a sought after area.
