3 Bedrooms | 4 Bathrooms

Surrounded by professional landscaping and evergreens, this immaculate custom built home offers privacy all year round! Situated on 2.01 acres, you'll find 3 sheds, 2 firepits, a hot tub, and a 16'x16' deck with built-in seating. The perfect setting for growing families or entertaining! A screened-in porch off the kitchen is a wonderful place to unwind to the sounds of nature. Inside the home, you will find plenty of natural sunlight, gleaming hardwood floors and an abundance of updates. The primary suite showcases a spacious, one of a kind ensuite that is beautifully updated with an oversized spa-like shower. The lower level offers a second kitchen, 3-piece washroom, large recreation room - and yet another spacious room awaiting your personal touch! A Napoleon air tight fireplace offers warmth and comfort all the way up to the upper level. Stand-by Generac Generator connects automatically, runs all but A/C. As per form 244, no conveyance of offers until March 14, 2021 at 6pm. (id:27)
