**\$329,000**

**2 Bedrooms | 1 Bathroom | 864 Sqft**

2 Bedroom 1 Bath home on large lot with workshop. The large yard has lots of garden space and fruit trees. The lane access enables a RV to be parked in the back. The home needs updating, but the ability to gain in sweat equity is there. Lots of potential here. Fantastic rental property. All measurements to be verified by Buyer if deemed important. (id:27)
