3 Bedrooms | 3 Bathrooms | 2,203 Sqft

Pride of ownership is evident in this spacious, well maintained, 2200 sq ft 3+2 bedroom, 3 bathroom home on large lot close to hospital and school. Substantially upgraded over the last few years, including new flooring, stucco, newer furnace, and triple pane windows as well as many others. You can really relax in the privacy of your loft master suite with office and 4 pce ensuite including jetted tub. Enjoy your meal times and get togethers in this large, open kitchen/dining room area that was totally upgraded in 2001 with main floor laundry off the kitchen. Also on the main floor is a separate family room, living room with gas fireplace, 2 bedrooms and a 4 pce bath. Full basement was recently, fully finished with two bedrooms, family room and 3 pce bathroom with walk in shower. This would make a great home for a large or growing family.
