**3 Bedrooms | 2 Bathrooms | 1,320 Sqft**

Welcome to the move-in ready end-unit townhome in desirable Williamsburg neighborhood in Kitchener! You will find yourself in the immaculate home as you enter the property with no carper -except on stairs. The main floor with beautiful custom floor, shiplap fireplace (electric 2019) in the main living area; open concept granite countertops, catchy backsplash and all stainless appliances including Double Oven Stove in the kitchen. A Bright Kitchen with Dinette and Walk out onto the 16 x 22 ft. deck featuring an eating area, built in benches/planter boxes, and natural gas hook ups with pergola. Fully fenced backyard recently updated! Upstairs you'll find a bonus loft office space, a large master, 2 additional bedrooms and a 3pc bathroom. Updated light fixtures on the main floor and over-sized single car garage are included in the features of this beautiful home. Walking distance to shopping, schools, parks and Goodlife Fitness, with easy access to area highways and 401. Don't miss this opportunity in a family friendly neighborhood! Book or call for your private viewing. This property won't last long! (id:27)
