The Legacy Downtown, a unbelievably located condo building with an amazing reputation. This main floor, two bedroom unit offers a huge patio, 9' ceilings, his and her sinks, extra large above ground but fully covered parking stall and a sunny west exposure. These are the unique features very few units have to offer in this building. The 775 sq ft is maximized in the open plan concept and the location offers downtown living at its best. Walk or bike to anything you need plus enjoy the near by restaurants, Rogers Place, the evolving Ice District area and so much more .This is a great first condo, downsizing home or investment property!
