\$429,900

3 Bedrooms | 3 Bathrooms | 1,338 Sqft

This upgraded custom bi-level is sure to impress anyone with all the over the top details throughout!! From the moment you enter this home you will be treated to soaring vaulted ceilings, wide stairways, upgraded floors, granite countertops, S/S appliances, N/G fireplace and custom spice rack in the pantry. The large master retreat is located above the garage and is equipped with large walk-in closet and spa like ensuite. The main floor topped off with 2 large secondary bedrooms and 4 pce bath. Take a stroll downstairs and be ready to be shocked with all the details, custom shelving, large rec room, bedroom, oversized HWT, custom bathroom with a shower that rivals any high end resort you could find. The backyard is everything you could ask for with large deck treated in duradeck coating, privacy fencing with louvers and a custom shed below that is wired with lights and enough storage for all your needs. Walking trail with park and school directly behind the home to top it all off. All this for \$429,900
