3 Bedrooms | 2 Bathrooms | 965 Sqft

Fully finished bungalow located in a nice cul-de-sac in Bridgeview. Large front driveway and attached heated single car garage. The main floor has a lovely front living room with a gas fireplace and open eat-in kitchen with lots of cabinet space and access to the back yard. There are 3 bedrooms on the main floor, a 4pc bathroom and the master bedroom has a large walk-in closet. Great usable space in the fully finished basement! A family room, 4th bedroom with a walk-in closet, another 4pc bathroom with a jetted tub, a exercise room and utility/laundry room with an impressive amount of storage space. Enjoy the Central Air Conditioning in the hot summer months. Private fully fenced back yard, well designed stamped concrete patio area and walkway. Shingles 2016, Hot Water Tank 2017 & Shingles 2020. You are a stones throw away from the beautiful walking trails, parks and amenities.
