2 Bedrooms | 1 Bathroom | 768 Sqft

Well kept, upgraded home close to schools and downtown. This home has been updated inside and out with new flooring, upgraded bathroom, windows, siding and shingles. The well planned kitchen features white cabinets with lots of natural light. The partially developed basement features a bedroom, rec room, plus a laundry/ utility room. The decks are new and there is a sheltered area with the natural gas barbeque hookup. The 12' X 20' shed is setup as a workshop with power and it is fully insulated. Great for a new home owner or someone looking to downsize. This home says welcome the moment you walk through the door.
