Beautiful townhome overlooking the park and the waterways of Griesbach! Best location in the Juno Town homes complex... an end unit facing south so lots of natural light and AC to keep you cool too. This is also the only unit with white cabinets and white quartz countertops... the open concept main living area has 9 ft ceilings; upstairs has 2 bedrooms, 2 bathrooms (the ensuite has a large shower), a den and laundry; and the lower level has another den and a 2pc powder room. There is also a single attached garage (with utility and storage) and room to park another on the driveway in front. Located in the heart of Griesbach close to the community gardens, school, playgrounds, transit and shopping with quick access to the Henday, Yellowhead or downtown.
