\$399,900

3 Bedrooms | 2 Bathrooms | 1,788 Sqft

Beautiful well maintained 2 story 1788 sq. ft. home located in the community of Oxford. This property features 4 bedrooms and 3 bathrooms plus a 5 piece ensuite off the master bedroom. This property has hardwood floors on the main and second levels, and on the stairs up to the second floor. A spacious floor plan with the kitchen open to the living room and French doors access a large back yard with a maintenance free composite deck. Also, the kitchen has stainless steel appliances and a raised eating bar for family or guests. The second level has 3 good sized bedrooms and great study area. The basement is professionally developed with a bedroom, nice recreation room, and 3 pc bathroom with tiled floors. Basement floors feature laminate. The shingles were just replaced last year. Move in ready and value priced at \$399,900.
