\$79,900

1 Bedroom | 1 Bathroom | 621 Sqft

Attention investors and first time buyers. Get into a great 1 bedroom condo under \$80000. Recently upgraded in last few years, with newer kitchen, bathroom, flooring, and paint. Unit includes an in-suite laundry area. A solid building and a great investment because of the future LRT placement and the amenities there now in all directions. Easy access to downtown. Close to shopping, and not on a main street.
