3 Bedrooms | 4 Bathrooms | 2,253 Sqft

Luxury, class, elegance. 3 words that immediately come to mind when you enter this magnificently updated 2 storey masterpiece. Featuring over 2200 sq ft plus a fully dev basement with large rec area, 4th bedroom & full bath, this home represents a masterful combination of the modern luxuries and conveniences of today's new homes with the charm & maturity of highly desired Lacombe Park Estates. The main floor is an entertainer's dream featuring a true chef inspired kitchen with massive butcher block island, rich quartz counters, top of the line stainless appliances including gas stove & massive fridge/freezer. A gorgeous family room with soaring ceilings is separated from the den with a designer fireplace. Up the stairs to 3 large bedrooms including a magazine worthy master with walk in closet & 6pc ensuite. Another fully updated bath completes the upper level. A gorgeous rear South facing yard with a massive deck completes the picture. Featuring all newer windows, central air, & much, much more.
