\$305,000

3 Bedrooms | 2 Bathrooms | 1,023 Sqft

This 3 bedroom end unit townhouse in High Park has it all! From a large fenced yard with a private deck to a finished basement to central AC. Open concept main floor features a dining room with plenty of windows as well as patio doors which access the deck, as well as kitchen featuring tons of cabinetry and stainless steel appliances. Upstairs are three good sized bedrooms including the spacious master with walk-in closet and four piece ensuite. In the basement find a family room as well as laundry with lots of room for storage. Enjoy the convenience of your single attached garage with additional room for parking in the driveway. This is a fantastic opportunity to live in a central community close to downtown, West Ed, and with easy access to public transit, shopping, restaurants, nightlife and all amenities!
