If you've ever dreamt of living in an amazing manor, in an excellent neighbourhood; here's your chance. The Finlayson home at 2391 Beach Dr. is one of renowned Samuel Maclure's finest and most personal architectural statements. It was the last of his famous Arts and Craft builds in 1914/15. The past five owners have taken extremely good care of the home but none like the current owner who has spared no expense in making sure this home's legacy will live on. The extensive list of work that has been done is available. The well-known designer, Brian Paquette, was commissioned to decorate and modernize the home while keeping many of the very elaborate original light fixtures, hardware, window screens, fireplaces & screens etc. With all the modern conveniences and healthy attributes; it simply must be seen to fully appreciate how comfortable this old masterpiece is. Ideally located near to Willows Beach, Estevan Village, Glenlyon Norfolk School, Oak Bay Ave, Oak Bay Marina &, RV Golf Course. (id:27)
