What an amazing piece of property!! This property could be used in one of two ways: as the ultimate camping/recreational getaway, or as a build site for your dream home. Located just 15 minutes from Bonnyville and 5 mins to Muriel lake quad trails. The property has its own private road with an approach in place, gas line and power on the edge of the property. This treed acreage offers the privacy and location you been looking for at an affordable price! Great future investment potential. This is country living at its best! (id:27)
