\$2,600

3 Bedrooms | 1 Bathroom

Beautifully renovated three-bedroom house in downtown Chilliwack. This property includes all brand new major kitchen appliances, including a gas range. The kitchen also boasts a large custom-built wood island and unique metal interior wall coverings. One of the bedrooms includes custom wall designs and a built-in loft bed perfect for kids. The other two bedrooms have plenty of space and one can be used as an additional living room if not needed as a bedroom. The backyard includes a large double car length shop with road access. There is also an RV or boat parking stall, a greenhouse and multiple fruit trees. The property also has a detached sauna that needs to have electrical work done. Water, Garbage, Sewer are included. Gas, Electrical and Cable Separate. In-suite Laundry. Pets Allowed with Owner Approval.
