4 Bedrooms | 4 Bathrooms | 2,263 Sqft

Looking to be in the heart of GARRISON CROSSING but on a great QUIET street- Here is one that you won't want to miss!!! Beautiful 2 storey home that shows very well!!! Fully finished basement w/ separate entrance and easily could accommodate a IN-LAW SUITE!! This home has a craftsman classic by Spruceland Homes. Close to all amenities and surrounded by mature trees and parks. Beautifully finished inside with style and featuring a flow through open layout on the main floor. An all in one open kitchen, family room and eating area with a huge centre island just perfect for family living and entertaining. Upstairs boasts a grand master bedroom with 2 other bedrooms. This home is complete w/ LARGE sunny level yard, a double car garage, RV parking and also storage above the garage.
