One of the best streets in Chilliwack! Short walk to all levels of schools and nice large lots found here. This home is not your typical spilt entry, it is a very large plan with big spacious rooms with almost 2900 sqft of living space. Featuring a large foyer/entrance, 4 bedrooms, 3 baths and 2 kitchens on a BIG lot with 72 feet of frontage with a super sized driveway to park several cars PLUS your boat or RV. The lower floor features a nicely laid out SUITE with lots of light, no sacrifice of living space for the upper portion of the home with a spacious second recroom and family room space separate from the suite. Great investment with potential for double income, buy now and hold for the future or a great family buy in an awesome area!
