5 Bedrooms | 2 Bathrooms | 2,744 Sqft

Custom built in 2008. Fenced backyard with koi pond, huge gazebo, hot tub, pool, two sheds, and a covered patio with built-in fireplace. Main floor living includes a fireplace, huge kitchen with tile backsplash, stainless steel appliances, and French doors leading out to the covered patio. Upstairs has 5 bedrooms including the bright master bedroom with walk-in closet & cozy gas fireplace. Upstairs bathroom is amazing, with double sinks, a soaker tub and a separate shower. The home has a 3-foot crawlspace, air conditioning, and tons of parking for toys and vehicles. Spectacular mountain views, and on the quiet end of Yarrow Central. The crawlspace has never seen water, even during the November flood.
